Wristband and Favor Jar Instructions Below

### What's Needed:

Patriotic Elastic Cord- Cousin

Patriotic Foam Stickers- Nicole/AC Moore

Felt Scraps

Hot Glue Gun w/Glue

8" Non-Stick Scissors- Fiskars

Twizzlers- Hershey

Sixlets (*blue*)- Frey

Swedish Fish- Mondelez International

White Chocolate Melting Wafers- Ghirardelli

Small Yogurt Jars- Nounos

### How To Make It:

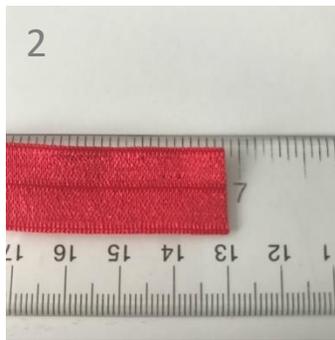

Patriotic bands are a great addition to any Americana celebration. Make ahead of time or set up a craft table so guest can make their own.

Be creative when selecting red, white and blue treats. We love eating a few different ones at a time. So, select candies that pair well together.

Note: Keep favors including chocolate in a cool place to avoid a big melt down.

1-To size bands loosely wrap a piece of elastic cord around wrist. Leave ample space to knot. Bands are stretchable and should not fit to tightly on the wrist.

2. Our piece measured 7". Cut cord to length. Fold in cord in half.

3. Knot ends together. Stretch the cord to tighten knot. Finish ends with a fishtail cut.

4- Select stickers. Remove release paper and place sticker on felt.

5- Cut out sticker shape using scissors.

6- Back and cut out all sticker needed with felt.

7. Pair the cord band with coordinating stickers.

8- Hot glue a felt back sticker to the center of the band.

9- Bands should fit comfortably. Do not wear bands that are too tight.

10- Create favors by placing the bands over jars.

11- Fill jars with red, white and blue sweets.

*Note: Band can also be use as glass tags.*
