Enjoy summertime R&R with these comfy DIY terry towel pillows. Simply machine stitch together and stuff with Poly-fil® Mini (Beanbag) Filler by Fairfield. Perfect for the pool, beach or lawn.

What's Needed:

White Fingertip Towels (18" X 11") 1 per pillow

White Hand Towels (30" x 16") 2 per pillow

Poly-Fil® Mini Filler- Fairfield

Sewing Machine

Straight Pins

White Thread

How To Make It:

Shopping

1-To keep with the crisp clean feel of spa use white towels however, any colour will look great.

We purchased our towels from the Bed, Bath and Beyond clearance section. The 4 hand towels and 4 embroidery fingertip towels cost \$12.

Larger towels can also be used to make either style pillow.

Fingertip Towel Pillows

2- Cut tags off.

3- Fold fingertip towel in half to form a 11"x 9" rectangle.

4- Place straight pins around the towel to hold fold in place. Pin slightly above the terry nap portion of the towel.

Note: Towels finished edges will be on the outer edge.

5- Stitch the area between of the terry nap and finished edge.

6. Machine stitch towel together. Leave a 3" opening so Poly-Fil® Mini Filler can be added. We put our 3" opening in the center of the right side.

7. Knot and cut threads off. Open hole for filling.

8- Open the spout on the Poly-Fil® Mini Filler bag. Set spout inside opening and pour in Mini Filler. Fill pillow $\frac{3}{4}$ full. Remove spout.

9- Machine stitch opening closed. Knot and cut off threads.

10- Pillow is now finished. Repeat above process for all additional pillows needed.
